Dear Sir:

Re Estate of Edward H. R. Green, deceased

I have been appointed administrator in  
Massachusetts of the above estate and have in my  
possession a part of Colonel Green's numismatic  
collection which it may be necessary for me to have  
appraised. Your name has been suggested to me  
in connection with a possible appraisal. If  
you would be interested in the subject I shall be  
glad to discuss it with you.

Very truly yours,

Re: Estate of Edward H. R. Green, Deceased

Dear Sir:

Your favor of November 17th at hand regarding the appraisal of coins in the estate of Edward H. R. Green. I am slightly conversant with the series of coins that he collected and realize that the appraisal of these should not and could not be done by one person. I would be willing to share in the work of this appraisal but would suggest as well the name of Mr. Wayte Raymond, 465 Park Avenue. Mr. Raymond is well acquainted with the late Colonel Green's coins and is also conversant, as possibly no one else in this country, with the values of coins such as Colonel Green collected.

Trusting to hear from you if anything further comes up, I remain,

Very truly yours,

Curator
